East Palestine's Police Department K-9 program receives \$4,000 from local businessman Tom Brittain, of Brittain Chevrolet and the Chevrolet Allstars and advertising funds. This is the second significant amount received. \$6,000 was invested in the program last year as well from Brittain. The village was able to acquire Toney, a female Belgian Malinois, in September of 2012 after raising enough in community funding for her purchase and necessary training. She is the first K-9 unit for the department. "I believe in the program" Brittain said. "Toney has done a great job. She has certainly helped our community and our police, not only in East Palestine, but throughout the area".
