Monthly Activity and Community Policing Report – March 2022

219 Wood St. will remain boarded up as a nuisance property through March of 2023.

Ptl. Sattler continues SRO duties and Sgt. Moore continues DARE instruction for EP schools.

We received the pre-award conditions for the Body Worn Camera grant. This grant is a 100% reimbursement grant which will allow for replacing the existing system of patchwork cameras with an up-to-date standardized system at no cost to the Village. The cameras are currently on order and should arrive within the next 4 weeks.

The testing and interviews for full-time patrol should be completed in April.

The 1st quarter juvenile log and survey were completed and submitted to the ODYS.
